

COURT USAGE SCHEDULE AND POLICIES

The specific policies below are in place at all times unless the courts are being used for the ministries of First Baptist Church Forney.

Our goal is to provide an opportunity for as many people to enjoy our courts for basketball and pickleball as possible. The schedule below is intended to ensure availability of space without having space sitting empty unnecessarily. The schedule and policies will be evaluated and revised as needed. This plan was developed based on most common current usage. Effective beginning August 2026.

ASK FIRST!

Sport listed gets first priority on the designated court. Exceptions can only be granted by the front desk. You must ask first! A desk worker will make a decision and facilitate a switch if possible. However, please be advised that if the court is later requested for its designated use, you may be asked to move. The desk worker's decision is final.
